

**YOU'VE GOT
ACCESS**

**LET'S GET
STARTED**

Dear New Customer,

Thank you for your purchase of **OMMBID**. We appreciate your business and look forward to a successful partnership with you. **The Customer Success Team** at McGraw Hill is here to support you through your onboarding process and beyond!

We have put together the following resources to help you promote OMMBID throughout your institution.

- Check out the content available in our [OMMBID LibGuide](#) for using and promoting the site, and for information on how to copy and reuse this content in your own LibGuides.
- Upload the [MARC records](#) and sign up to be notified each time the records are updated.
- Install the OMMBID [search widget](#) and/or [logo](#) on your homepage.
- Download our [marketing resources](#) from the Access User Center.
- Use our [email template](#) to announce the subscription.
- [Visit OMMBID](#).

For you and your users, we recommend [creating a free MyAccess profile](#) so you can access these resources remotely. This will also enable you and your users to save content, create folders to organize materials, and receive access to interactive review questions. Create a **MyAccess** profile the first time on-site at your institution, or through the VPN or proxy server.

The Customer Success Team is comprised of medical librarians who understand the complexities of engaging users with digital resources. We'd be happy to arrange a meeting with you to train your library team on the resources available and to discuss some best practices to improve usage and engagement.

Please don't hesitate to contact us with any questions or requests. We can be reached at customersuccess@mheducation.com.
